### For Relief of Jews.

New York, May 18.—During the ten days that collections have been made in the United States for the immediate assistance of the sufferers in the religious riots at Kishineff, Russia, about \$50,000 has been subscribed to the relief fund. The largest amount has been raised in this city and the money, about \$21,500 or 43,000 roubles, has been cabled to the head of the committee at Kishineff. The sum forwarded Friday was 25,000 roubles.

## COMPLETE CONFESSION

Former State Senator Busche Owns Up to Several Deals.

INVOLVES A NUMBER

He Claimed That All Sorts of Money Was Used to Influence Legislation and Steam and Street Railways in the Lead.

St. Louis, May 16.—Unable to bear the strain of mental torture which he has suffered since the grand jury investigation into boodling was instituted, former State Senator Fred L. Busche went before Circuit Attorney Folk Friday afternoon and made a complete confession of his connection with the deals extending over a period of eight years. Busche's declarations involve several men of prominence and he names those who have been conspicuous at the state capitol as distributors of boodles.

Later Busche was taken before the grand jury, where he remained an hour. When he emerged from the room tears streamed down his cheeks. With his face buried in his handkerchief he hurried down the steps to the Eleventh street exit of the building. Busche prefaced his remarks by saying that all sorts of money was used at that time to influence legislation.

"Money," he said, "was offered on pretty nearly every item of importance. The steam and street railway interests were always very active and their representatives paid us."

Busche proceeded to name several senators who profited handsomely from exchange at the 1895 session and included one or two who are members of the present assembly.

He broke down twice while confessing to Mr. Folk and weeping bitterly said:

"I am telling these things only to ease my mind."

Going back to the Thirty-eighth assembly with the bill to create a school book commission as one of the principal issues before the legislature Busche said that the school book trust put up a big fund.

"I got \$1000," he said. "There was a resolution presented to have all bills held in committee. I got \$250 for holding up the resolutions."

"Killing bills by smothering them in committee was very common," he said.

Because of the statute of limitations, which prevents prosecution three years after the crime is committed, none of the men against whom Busche has testified can be indicted.

### REFUSED TO GO.

Mrs. McCormick Will Not Return to Cincinnati Without a Requisition.

Memphis, May 16.—Detective S. J. Sweeney of Cincinnati arrived in the city with a warrant from the Cincinnati courts charging Mrs. Lizzie McCormick with murder of the Adams Express company employees, who died at the hospital in Cincinnati from drinking whisky from a package addressed to Mrs. Kate Nobbe of that city.

The detective had scarcely made his appearance in the office of Chief of Police Mason before Mrs. McCormick's attorneys arrived and announced that Mrs. McCormick would not return to Cincinnati without requisition papers. The attorneys announced they had instituted habeas corpus proceedings, which will be heard Tuesday. Mrs. McCormick was taken to jail.

The police gave out vague hints of new developments and possibly a new arrest in the case of the poisoned bottle of whisky which was sent from this city to Mrs. Kate Nobbe of Cincinnati, and in connection with which Mrs. Lizzie McCormick of Memphis is under arrest.

A close examination of the writing on the wrapper of the package which contained the bottle, it is thought, has given the new clue which may change the entire complexion of the case. This wrapper was bought here by the Cincinnati detective.

### Another Plague Case.

Mazatlan, Mex., May 16.—It was rumored that the plague had attacked Master B. E. Ward, son of Gerald Ward, manager of the water supply company. Investigations were at once made with the result that the rumor has been fully confirmed by the report of Doctors Ganebbie and Lavin, who were directed to visit the patient's house and take the strictest measures to prevent a new spread of the dreaded disease. The news has caused considerable alarm.

### Got Twelve Cents.

Charlotte, N. C., May 16.—A cotton mill man who was here attending the meeting of the Cotton Spinners' association sold 1500 bales of cotton to a New Orleans firm. He got 12 cents a pound for the cotton. He furnished the 1500 bales out of the stock which he holds in his warehouse.

### Quarterly Dividends.

New York, May 16.—The Standard Oil company of New Jersey has declared a dividend for the quarter of \$7 per share. For the corresponding quarter of last year the dividend declared was \$10.

In response to her invitations to the Bachelor Girls and the girls of the Shakespear Club, Mrs. Milton Parker welcomed to her hospitable home Wednesday afternoon a crowd of merry girls, each intent upon the pleasure of the hour. They were met in the hall by Mrs. Milton Parker and Mrs. S. J. Bain, and this gathering together of lovely young women was in honor of Mrs. Bain. After a half hour spent in greetings and music, little Misses Dorcas Parker and Winifred Bain passed to each guest a dainty card headed "Culinary Utensils," on which was printed twelve questions, each to be answered with the name of some useful article found in the modern kitchen. Miss Nell Tabor found herself most familiar with the articles and the first prize, a handsome cook book, was presented to her by Mrs. Tilson. Amid a great deal of laughter the consolation prize was cut for and won by Miss Nonie Adams. Mrs. W. H. Oliver presented her with an immense blue cook apron. With a most graceful little speech Mrs. G. S. Parker presented the guest of honor, Mrs. Bain, with a dainty tea pot. Ice cream, strawberries and cake were served. After a dance or two the merry crowd of happy girls said good bye to their hostess and Mrs. Bain. The guests were: Misses Keeling, Read, Adams, Mattie Tabor, Nell Tabor, Stoddard, Carnes, Coulter, Johnson, Bettie Johnson, Taylor, Polk, Maggie Pitts, McInnis, Myers, Howell, Batte, Henderson, Robinson, Harbers, Roberts, Henry Wilson, Peverly, Lucy Wilson, Ethel Cavitt, Emily Thomas, Sadie Cavitt, Parks, Robinson, Roberts, Jones, Rhodes. Mesdames G. S. Parker, A. B. Carr, Jr., W. H. Oliver, S. J. Bain, P. S. Tilson, M. W. Sims, Jr.

The Eagle has received copies of the Phoenixville (Pa.) Republican and the Philadelphia Press containing elaborate accounts of the marriage of Capt. Albert George Jenkins, artillery corps, United States army, to Miss Laura Chrisman Eachus at Phoenixville, Pa., May 7 at 7 o'clock. It was a full military wedding and the artillery colors, as well as the stars and stripes, furnished the body of the decorations in St. Peter's Protestant Episcopal church, where the wedding was celebrated. A vested choir sang two numbers, and a vocal solo was also rendered. The gentlemen attendants were army officers and the bride's maids included a sister of the bride and young lady

friends from Philadelphia, New York and other cities. The wedding ceremony was witnessed by three hundred invited guests and followed by a brilliant reception at the bride's home. After paying a glowing tribute to the bride the Phoenixville Republican says: "Capt. Jenkins is an Englishman by birth, having been born in London, England, but very early in life came to the United States, and his parents have resided in Texas ever since. He is a born soldier, his father being a veteran of the Crimean war and others of his ancestors have been military men as well. He is stationed at Fort H. G. Wright, at Fisher's Island, New York, and there he met the charming young lady who has become his bride. He is extremely popular among his fellow officers. He is a graduate of the United States Artillery school at Fort Monroe, Va." The Philadelphia Press publishes fine halftone pictures of Capt. Jenkins and bride.

There have been several very pleasant affairs during the past week in honor of Mrs. S. J. Bain of Houston, a guest in the home of Mr. and Mrs. Milton Parker. None proved more enjoyable than the card party given her on Thursday afternoon by Mesdames Carr, Oliver and Tilson. The afternoon was perfect and at 4 o'clock a stream of expectant guests entered the Parker home to be met most cordially by Mesdames Carr, Oliver, Tilson and Bain. In the library Miss Adah Polk of Hempstead served delicious punch from a most beautiful punch bowl embedded in red roses. A string band added its sweet sound to the brilliant scene during the entire afternoon. The game was the always popular six hundred euchre, seven tables being made up. At the close of eight games Mrs. Capps of Benchly was the lucky one for the first prize, a cut glass olive dish presented to her by Miss Nonie Adams in her lovely way. Mrs. Haswell gracefully declared Mrs. M. W. Sims, Jr. the only lone hand winner in the room and handed to her an olive spoon. Mrs. Avery of College scored low and accepted from Miss Polk the clay pipe tied with ribbons. The afternoon was one of pleasure to all. The guests present numbered eighty, several dropping in during the afternoon who did not take a hand at cards. A 6 o'clock lunch was served which consisted of pressed chicken, clear jelly, olives lettuce, sandwiches and iced tea.

Mrs. F. E. Pryor's card party on Saturday afternoon, in honor of Mrs. Edgar Perry of Luling, was one of the pleasant events of the week. Mrs. Pryor's guests were not asked to meet a stranger, since Mrs. Perry has been a delightful visitor to Bryan several times, and her friends were glad to have her among them again.

The game of six-hand euchre was unusually interesting, and was played until seven games were completed. Punch was served during the game, and at the conclusion delicious orange ice and cake.

The first prize, a handsome embroidered sofa pillow, was won by Mrs. J. A. McQueen, who also became possessor of the lone-hand prize, a cut glass vase.

The guest prize, a beautiful candle stick, was presented to Mrs. Perry by Mrs. W. H. Oliver.

Mrs. Pryor was assisted in receiving her guests by Mesdames Perry, Oliver, Haswell, Burger and Shelly. The other guests were Mesdames Carr, McQueen, Bain, Tilson, Brandon, McInnis, Mooring, G. S. Parker, Wilkerson, Boyle, E. J. Fountain, Saunders, Gordon, Hines, Clarke, T. K. Lawrence, Misses Polk, Adams, Keeling, Rhodes, Peverly, McInnis and Jones.

There is no one more popular with the Sewing Club than Mrs. E. J. Fountain, and in remembrance of the many courtesies rendered from them Mrs. Fountain entertained the club, with other friends, on Tuesday afternoon. Four o'clock found the guests arriving to be welcomed by Mrs. Fountain, Mrs. Roger Boyle and Miss Keeling. The time passed most delightfully, and while a few of the club members remained faithful to their fancy work, most of them have laid it aside since the weather is so swelteringly decorated with humidity.

Cream, strawberries and cake were served by Misses Peverly and Keeling.

Mrs. Fountain's guests were Mesdames Boyle, Butler, Pryor, Bain, Mills, G. S. Parker, Tilson, Perry, M. Parker, Erwin Astin, Haswell, Oliver, M. W. Sims Sr., Gordon, Brandon, Sims, McKenzie, Carnes, Hines, T. K. Lawrence, Clarke, Read, J. Webb Howell, Misses Polk, Cavitt, Keeling, Peverly, Cole and Coulter.

Mrs. Jno. M. Lawrence entertained a number of ladies most delightfully on Saturday afternoon at 4 o'clock in honor of Miss Adah Lee Polk of Hempstead, who is always a welcome visitor to her old home. Mrs. Jas. H. Webb, Mrs. G. S. Parker and Miss Polk assisted Mrs. Lawrence in receiving her guests who were immediately supplied with a card and pencil. On these cards were written the names of the homes of thirteen famous men and women. All this was very puzzling, but after patient thought Mrs. T. F. Castles mastered the entire list and received first prize, a bust of Longfellow presented to her by Mrs. Buchanan. Miss Mattie Tabor became the happy possessor of a dainty little duster as the consolation. Mrs. Doremus presented to Miss Polk a statuette as guest of honor. Mrs. Lawrence served delicious cream in punch cups filled with strawberries and individual cake. Miss Polk was the inspiration of a most pleasant afternoon.

On May 10th Miss Leona Rhodes formerly of Bryan, was married at Cuba, Ala. at the residence of her uncle, G. W. Tate. Dr. J. F. Jones was the fortunate groom who won the heart and hand of Miss Rhodes; for her friends know her to be indeed a lovely character—deserving the richest blessings in life, and

have reason to believe that the young man whom she has thus honored, is all that her heart could desire. A manly man, and a fine physician. May the choicest blessings of life fall to their lot henceforth. Miss Leona was reared in Bryan and is a sister of Mrs. J. R. Carlton of this city. Her friends are limited only by the circle of her acquaintances, and if good wishes count for anything she will not be lacking in good fortune and happiness. The Eagle extends congratulations.

Mrs. J. W. Doremus named as honoree of her very pretty card party, at 9:30 Tuesday morning, Mrs. Charles Mills of Corsicana and Mrs. S. J. Bain of Houston.

Mrs. Doremus was assisted in receiving her guests by Mesdames M. W. Sims Sr., A. B. Carr, Jr., Charles Mills, S. J. Bain, W. H. Oliver and P. S. Tilson.

A refreshing ice was served with cake; during the game punch was handed at the card tables. At the close of the game Mrs. R. M. Gordon was winner of the first prize, which was presented to her by Mrs. Tyler Haswell. Both Mrs. Mills and Mrs. Bain received a lovely souvenir of this most pleasant occasion, the former a dainty statuette, the latter a

lovely piece of hand-painted china. Mrs. Wilkerson received the consolation prize.

The Bachelor Girls' Club held a business meeting Wednesday afternoon at the home of Miss Irene Keeling. Officers for the next year were elected as follows: Miss Arrie Cole, president; Miss Emily Thomas, vice-president; Miss Sallie Johnson, treasurer; Miss Lucy Board, reporter.

The club adjourned promptly at 8 o'clock to attend a reception given by Mrs. Milton Parker, complimentary to the Shakespear girls and the Bachelor Girls' Club.

The club will open with twenty-five members next year.

Sixty little boys and girls were entertained by Mrs. Tyler Haswell Friday afternoon in honor of her daughter, little Miss Ara Haswell. It was a lawn party and outdoor sports were enjoyed to the fullest extent. The dining room, where sweets and ices were served in abundance, was lovely with flowers, cut glass and burning tapers. Many appropriate gifts were received by the little hostess.

You can eat whatever and whenever you like if you take Kodol. By the use of this remedy disordered digestion and diseased stomachs are so completely restored to health, and the full performance of their functions naturally, that such foods as would tie one into a double-bow-knot are eaten without even a "rumbling" and with a positive pleasure and enjoyment. And what is more—these foods are assimilated and transformed into the kind of nutriment that is appropriated by the blood and tissues. Kodol is the only digestant or combination of digestants that will digest all classes of food. There are 4,000 union men out on a strike in Denver.

The following items of the legislative appropriation for the A. & M. College and Texas Experiment Stations were vetoed by the Governor: For the establishment of three additional experiment stations, \$15,000; for purchase of herd of live stock, \$5,000; contagious and quarantine pens, \$5,000; dormitory \$50,000; engineering building, \$25,000; total cut out by veto, \$100,000. Two of the items cut out, while small, were especially dear to lovers of the College and its agricultural experiment work, to-wit, the item for purchasing live stock, and item for quarantine pens. Of course all were needed by the institution, but the Governor felt that the ax had to be used, and we feel that it fell exceedingly heavy on our great technical school—or rather our school that would be great, if given a chance. The appropriation for establishing the textile school stands, which is one improvement to be thankful for.

## Hysteria in Dogs.

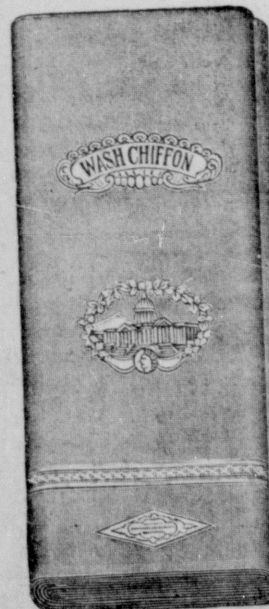

Nerves are the disease of the present day among human beings, but I did not know till recently that hysteria is also a malady of dogs. A friend of mine owned a dog which suddenly one day was seized with an attack of nerves. Since then it has been very ill, wandering incessantly round and round the room, refusing food, but still recognizing its owner. Another little dog suffered from hysteria in consequence of fright from railway traveling, and it really seems as though civilization, in rendering dogs more delicate and more susceptible, had done them a distinct physical injury.—London Graphic.

## RIGOROUS MEASURES

They Have Been Adopted by Turk-  
ish Authorities.

### TO GUARD FRONTIER

It Is Thought There Is a Revival of  
Activity on the Part of the Old  
Armenian Committees, Anx-  
ious to Stir Things.

Constantinople, May 16.—Turkish au-  
thorities are disquieted at recent ap-  
pearance of a band of Armenian rev-  
olutionists coming from Russia in the  
streets of Bayazid and Sahun, Arme-  
nia, and adopting rigorous measures  
to guard the frontiers. It is alleged  
here that Russian authorities at Gars,  
Asiatic Russia, are aware of the move-  
ment of Armenian revolutionists, but  
they do not intend to interfere. It  
is believed the appearance of these  
bands indicates a revival of activity  
on the part of the old Armenian com-  
mittees, who are understood to be an-  
xious to be in a position to take ad-  
vantage of possible complications arising  
from the Macedonian situation, in  
which case the claims of the Arme-  
nians will be revived and the same  
advantages gained by Macedonians  
demanded for Armenia.

From European intervention will be  
The Turkish government has notified  
a Bulgarian exarch that Gerassi-  
mos, bishop of Strumitza, Macedonia,  
has been removed and invited the ex-  
arch to appoint his successor. The ex-  
arch, however, refuses to recognize the  
authority of the Turkish government  
to remove the bishop and advised Ger-  
assimos, who is practically a prisoner  
in his own house, to remain firm. It  
is alleged that Bishop Gerassimos is  
to support the Macedonian movement,  
but it is also stated the charge was  
brought by jealous clergy.

Prisoners of Macedonia are overflow-  
ing with Bulgarians. Turkish authori-  
ties hoping thereby to paralyze the  
Macedonian movement.

It is announced that Turkish troops  
entered Ipek, Albania, Friday, after  
strong opposition.

### PILGRIMS' SOCIETY.

It Has Grown to Proportions Not Con-  
templated by Its Founders.

London, May 16.—The Pilgrims' so-  
ciety, which quietly organized here  
less than two years ago, has now grown  
to proportions not contemplated by its  
founders and wields great influence  
in the social and political relations of  
the two countries. At a meeting held  
at the Carlton hotel this week the  
archdeacon of London was elected  
chairman of the executive committee.  
At this meeting it was decided to have  
a dinner in the last week of June each  
year, which is to be known as the  
"Pilgrims' Round Table." Among  
those who were recently elected mem-  
bers of the London branch of the Pil-  
grims are Earl of Aberdeen, Rt. Hon.  
Sir Richard Penn Collins, master of  
the rolls; Hon. Charlemagne Tower,  
American ambassador to Germany;  
Hon. Stanford Newell, American min-  
ister to The Hague, and Captain Rich-  
ardson Clover and Major Cassatt,  
American naval and military attaches  
to the American embassy in London.

Among prominent Americans who  
lately joined the English branch are  
Charles A. Coffin and General Eugene  
Griffin, president and vice president  
of the General Electric company, New  
York; Benton Hanchett, a Michigan  
lawyer; Charles A. Burt, Winchester,  
Ky.; John W. Garrett, Baltimore, sec-  
retary of the legation at The Hague;  
Henry D. Platte, P. G. Bartlett and  
Richard A. Peabody of New York.

### NOTED SINGER DEAD.

Miss Sybil Sanderson Died Suddenly of  
Pneumonia at Paris.

Paris, May 16.—Sybil Sanderson, the  
well known American opera singer,  
died suddenly of pneumonia, resulting  
from an attack of the grippe. The  
announcement caused a profound  
shock in the American colony here,  
where she was popular, and through-  
out the musical and theatrical circles.  
Miss Sanderson has been seen in nearly  
all the leading American cities and  
a great favorite among lovers of opera.

### Howard as Peacemaker.

Middlesboro, Ky., May 16.—General  
O. O. Howard founder of the Lincoln  
Memorial school at Cumberland Gap,  
is riding alone through the mountains  
of eastern Kentucky to investigate  
conditions with a view of ending the  
feuds. General Howard will ride  
through Breathitt, Letcher and Harlan  
counties, ending his trip at Grant Lee  
Hall, Cumberland Gap.

### Memorial to McKinley.

Canton, O., May 16.—A tablet of  
bronze or oxidized copper will be  
placed in the court house corridor here  
where the body of the late President  
McKinley lay in state the day before  
the funeral bearing the words, "Here  
lay in state the body of President Mc-  
Kinley, president of the United States,  
September 18, 1901."

### Harriman at New York.

New York, May 16.—E. M. Harriman  
arrived here on his special train. He  
walked from the train to an auto-  
mobile, and in an interview given from  
the vehicle, said he suffered from a  
slight attack of appendicitis, but re-  
ceived the best attention and expected  
to sail for Europe on the 26th instant.

### General Gordon Arrives.

New Orleans, May 16.—General  
John B. Gordon commanding the Unit-  
ed Confederate Veterans, has arrived  
here and visited Adjutant General  
Nickle's headquarters. He was given  
a great ovation.

### CHURCH WRECKED.

Interior Demolished by Dynamite Bomb  
and Front Blown Out.

Chicago, May 16.—Another negro  
church was wrecked by dynamite. A  
bomb was exploded under the pulpit  
of the Evanston African Methodist  
church. The interior was demolished  
and the front of the building blown  
out. Two motives are ascribed for  
the demolition of the buildings. First  
it is certain that colored people were  
incensed by a sermon preached last  
week by the pastor, Rev. Daniels, who  
said this is a white man's country  
and the colored man might as well  
make up his mind to it now and get  
along as best he could. The other is  
that members are incensed at the po-  
sition taken by the pastor and a guest  
from Chicago, who spoke against  
"policy."

The institutional church of this city  
was wrecked by dynamite last Sun-  
day night after B. R. Ransom, pas-  
tor, preached a sermon against "po-  
lity." Dr. Daniels approved of Dr. Ran-  
som's stand against evil and spoke  
against "policy" at the International  
church, and also from his own pulpit  
at Evanston.

### LADY ASSAULTED.

A Woman in Connecticut Is Shamefully  
Treated and Robbed.

Waterbury, Conn., May 16.—Another  
serious crime has been added to the  
recent series of misdeeds in this city,  
in the assault of Mrs. A. E. Stevens  
on the Bunker Hill road. Mrs. Stevens  
was walking along a lonely part of the  
road when a negro sprang from the  
side of the highway and caught her  
by the throat. After criminally as-  
saulting her he took the contents of  
her purse and fled. Mrs. Stevens' throat  
was badly lacerated by the negro's  
hands, but otherwise she was not  
badly injured. Her assailant has not  
yet been captured. He is thought to  
be the same man who has been terror-  
izing girls and young women in dif-  
ferent parts of the city. The negro left  
his necktie at the scene of the assault.

### CHAIN OF STORES.

Several Groceries Will Be Run by a Com-  
pany in the Buckeye State.

Cleveland, May 16.—If the plans of  
N. M. and F. C. Leets of Chicago are  
carried out a chain of wholesale gro-  
ceries will be established in Ohio.  
They represent the Warfield, Pratt,  
Howell company, the Western Grocer  
company and the National Grocer com-  
pany which together operate twenty-  
two wholesale groceries in Michigan,  
Illinois and the west. The Inland Gro-  
cer, the organ of the grocers in sev-  
eral states, including Ohio, in last issue  
says it has received information to the  
effect that since the absorption of  
Moore Bros., a wholesale grocery of  
Lima, by the Moneypenny-Hammond-  
Dahl-Milliken combine, the J. M. Se-  
alts company of Lima has not been ap-  
proached by the Western Brokerage  
company, which is the representative  
of three jobbing concerns mentioned  
above. President Sealts refused to  
confirm or deny the report.

### Lorillard's Large Loss.

London, May 16.—The loss Mrs.  
Pierre Lorillard, who is reported to  
have been robbed of \$50,000 worth of  
jewels, amounts probably to a far  
greater sum than first reported. Mrs.  
Lorillard lost all her jewelry except  
what she was wearing and a letter of  
credit and other valuables. The robbery  
occurred at the eBrly hotel,  
to which place two men followed Mr.  
and Mrs. Lorillard all the way from  
Monte Carlo. The police have no clue  
to their whereabouts.

### Lafayette Monument.

New York, May 16.—The pedestal  
for the monument to be raised in  
Paris by the American school children  
in memory of General Lafayette has  
been completed and will be shipped  
to France this month. It is of the  
pink Tennessee variety. In July Sculp-  
tor Bartlett will place upon the pe-  
destal his model equestrian figure. Af-  
ter further study he will begin work  
on the figure, and final dedication of  
the monument will probably take place  
in July, 1904.

### No Changes at Mobile.

Mobile, Ala., May 16.—There is no  
change in the Mobile and Ohio strike  
situation at this point. Trains, both  
passenger and freight, are moving as  
they have been for several days. No  
further breaks in the ranks of the  
strikers are reported. The Mobile com-  
mercial club declined to join with the  
commercial club of Jackson, Tenn., in  
an effort to bring about a settlement of  
the strike, deeming the movement to  
be unwise at this time.

### Captain Overton Was Appointed to West Point from Texas.

Manila, May 16.—Captain Clough  
Overton of the Fifteenth cavalry and  
Private Harry Noyes, were killed and  
Private Hartlow wounded in a bolo  
rush at Sucatan, island of Mindanao.

Manila, May 16.—No details of the  
fighting have been received here be-  
yond a brief telegram reporting deaths.  
It is said six of the enemy were killed.  
It is thought natives approached Cap-  
tain Overton's command, pretending  
friendship and then attacked the Amer-  
icans.

About 300 insurgents, armed with  
bolos, resisted the landing of forces of  
scouts at Catalman, Camuggin island.  
They charged the scouts and wounded  
two of them. It required an hour to  
disperse the insurgents. Twelve of the  
latter were killed and many wounded.  
The scouts, whose gallantry has been  
commended, are pursuing the insur-  
gents.

Captain Overton is a native In-  
dian. He was appointed to the mili-  
tary academy from Texas in 1884. Har-  
ry C. Noyes, the private killed, en-  
listed in troop D, Fifteenth cavalry,  
at Cincinnati.

### MANY CALLED OUT.

Strike Order at Denver Applies to Quite  
a Number of Trades.

Denver, May 16.—The joint execu-  
tive committee in charge of the strike  
has issued an order calling out mem-  
bers of unions as follows: Cigar  
makers, paper makers, pulp and paper  
mill workers, international firemen and  
engineers at mills, other mill em-  
ployes, brewers, beer bottlers, retail  
clerks, lady clerks, mattress makers,  
garment workers, horse shoers, elec-  
trical workers, compositors, tobacco  
strippers, stage employes, barbers, tail-  
ors and bartenders. The order be-  
came effective at once and 2350 ad-  
ditional brought into the ranks of  
the strikers, swelling the number of  
people out to something over 5000.

### Strikers and Non-Union Men Clash.

New York, May 16.—There was a  
clash between Italian strikers and non-  
union men in the Bronx in which sev-  
eral persons were injured. Strikers  
attacked a number of men who had  
been engaged to take their places. A  
lively fight was in progress when the  
police arrived and dispersed the riot-  
ers.

### HAD A HOLIDAY.

Homestead Stops Business to Dedicate the  
Schwab School.

Pittsburg, May 16.—All business was  
suspended at Homestead to-day,  
and the town folks took a holiday in  
honor of the dedication of the C. M.  
Schwab Free Industrial school and for-  
mal opening of the institution. The  
building is to be maintained by the  
president of the Steel corporation, who

CHARLES M. SCHWAB.

but a few years ago was an employe of  
the Homestead Steel works.

During the morning Mr. Schwab and  
the New York guests inspected the  
magnificent building and at noon sat  
down to a luncheon prepared by pupils  
of the domestic science department  
as their tribute to Mr. Schwab's gener-  
osity.

### Varying Imprisonments.

St. Petersburg, May 16.—A majority  
of the persons arrested for participat-  
ing in anti-Semite outrages at Kish-  
inev, Bessarabia, have been tried and  
sentenced to varying imprisonments.  
Although most of them were arrested  
on returning to their homes after  
the second day's pillage, with their  
arms full of plunder, all the prisoners  
protested their innocence and pleaded  
that they found the things in the  
streets and were taking them to the  
police station.
